

Allianz Global Corporate & Specialty **at a glance**

Global clients need global responses. That's why we set up Allianz Global Corporate & Specialty (AGCS) in 2006 – to serve the needs of business clients with international activities or specialist risk exposures. Back then, our vision was as clear as it is today: In practice, we aim to be recognized by our target customers as the best in our business – the benchmark insurer that sets the standard in our markets. This is how we deliver that:

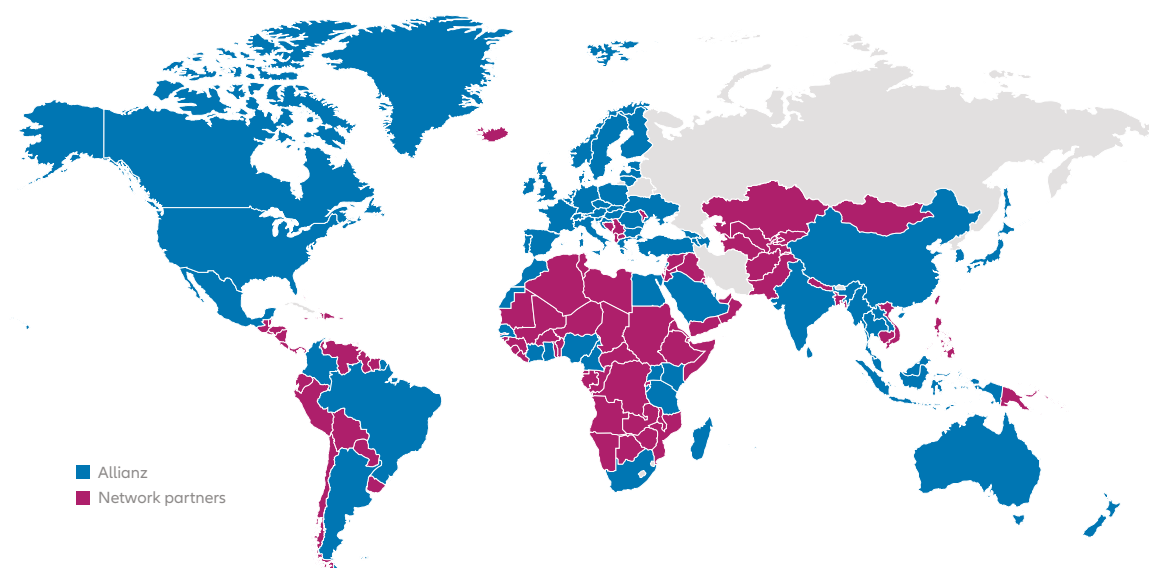

Truly global

- One global team of dedicated specialists
- More than 4,200 employees of some 84 nationalities
- Local experts supported by global resources
- Extensive multi-national experience, supporting clients in new markets worldwide
- One global carrier and culture with consistent processes and standards

The strongest network

- Allianz's own offices in over 70 countries
- A combined Allianz and partner network in more than 200 countries and territories
- Specialists in global programs: 2,800 Lead Programs
- Rapid response capability for urgent and catastrophic claims worldwide

A genuine global presence covering more than 200 countries and territories

Strength and commitment

- One of the highest rated global P&C insurers
- Solid local solvency ratios as of Q4 2022:
AGCS SE – 160%*,
AGCS NA – 299% (Q4 2021),
ART AG – 138%**
- Security through diversification:
by geography and by risk type
- High capacity for the largest, most complex risks
- Prudent investment strategy for long-term sustainable strength
- Part of Allianz, one of the largest P&C insurers worldwide
- Proven track record of long-term client partnerships
- Capital solutions in the Insurance Linked Securities market

In-depth expertise

- Allianz's center of excellence for large or complex business risks
- Sector specific teams, with in-depth know-how across key client industries
- Approximately 250 risk engineers and more than 600 claims experts, specialists in complex corporate risks
- The Allianz Center for Technology (AZT) – a unique loss analysis team
- A full-service capability across multiple product lines including Alternative Risk Transfer (ART) – our specialists in alternative risk transfer solutions
- Long-term investment in attracting and developing expert staff

Focus on excellence

- Key account management and dedicated sector teams
- Significant investment in research and development
- Global operations, claims, and underwriting to globally coordinated standards
- An innovative and flexible approach to brokers and distributors – from global brokers to mono-line specialists
- Access to the full Allianz service portfolio from credit risk and assistance to investment and retail insurance
