Why brokers and their clients choose Allianz for Aviation

Expert aviation underwriters

The majority of our underwriters are experienced aviators who know insurance and are passionate about Aviation.

A hundred year history in Aviation

Allianz has a proven track record of reliability, security and service.

Broadest aviation appetite of any major insurer

We write a wide range of risks, from the world's largest airlines, airports and manufacturers to private pilots, suppliers and service providers.

Local knowledge, global reach

Allianz's global network keeps service close to the customer and provides access to professionals who know the culture, language and regulations in over 210 countries and territories.

Specialized claims support

Claims are handled by adjustors and surveyors with years of hands-on aviation experience. MARKET LEADING CAPACITY Allianz has the capacity and financial strength to handle the largest risks.

Long-term relationships

Dedicated client teams are committed to superior service, transparency and flexibility.

Additional products and services:

- Alternative Risk Transfer
