

AGCS CENTRAL & EASTERN EUROPE

Key Facts & Contacts

Allianz Global Corporate & Specialty (AGCS) is one of the leading international industrial insurers for corporate and specialty risks worldwide. Understanding the individual needs of our customers and finding the best possible solutions for them is our mission. Broad expertise and decades of experience, a global presence and a solid capital base are our strengths. In the Central & Eastern Europe (CEE) region we serve customers in Germany, Austria, Switzerland and Eastern Europe.

PROFESSIONAL EXPERTISE

- Key account management and UW teams with a high level of expertise in all key industries
- Demand-driven product and coverage concepts for the industry
- Innovative strength with regard to the management of new risks
- Many years of claims experience and reliable, quick-claims handling
- Risk engineers from various disciplines support in the analysis, management and control of risks
- Risk engineering support for manufacturers during the development of prototypes
- In-house experts for alternative risk transfer

GLOBAL PRESENCE

- Worldwide network in more than 200 countries or territories with AGCS teams in more than 30 countries
- More than 4,000 employees support on a local level and at the same time are part of global teams
- Leading in more than 2,800 international insurance programs
- Fast, cross-border response in the event of a claim

STRONG BRAND

- No.1 insurance brand. Allianz is the world’s leading insurer according to Interbrand’s „Best Global Brands“ Ranking 2022 and one of the largest P&C insurers worldwide
- Access to the entire service portfolio of Allianz, from credit risk and assistance to investment and personal lines insurance

SOLID CAPITAL BASE

As one of the largest P&C insurers within the Allianz Group, AGCS has a strong and stable financial rating. In 2022, AGCS generated gross premiums totalled 11,1 billion Euros worldwide.
