

# Suppliers & Vendors

**It is our policy to provide minority-owned, women-owned, disadvantaged and disabled-veteran-owned businesses (collectively known as "MWDVBEs") an equal opportunity to provide value-added products and services directly and indirectly to AGCS which will drive the following benefits:**

- Larger pool of qualified suppliers
- Cost savings and higher quality products and services due to increased competition
- Advanced economic growth in the areas in which we do business
- Economic advancement for MWDVBE firms

AGCS supplier relationships are developed through our Global Procurement office. This is done by registering with us through our website (see Supplier Registration form below). Please do not contact AGCS employees directly.

Your company information will be retained and accessed by our Global Procurement group for use when we have identified a specific supplier need.

Please read “Your Registration Obligations” below prior to submitting the AGCS Supplier Registration form. We look forward to receiving your registration.

## **Your Registration Obligations**

You agree to: (a) provide true, accurate, current and complete information about your company as prompted by the registration form (such information being the "Registration Data"). If you provide any information that is untrue, inaccurate, not current or incomplete, or AGCS has reasonable grounds to suspect that such information is untrue, inaccurate, not current or incomplete, AGCS has the right to suspend or terminate your registration.

You acknowledge and agree that AGCS may preserve Registration Data and may also disclose Registration Data if required to do so by law or in the good faith belief that such preservation or disclosure is reasonably necessary to: (a) comply with legal process; (b) enforce the terms of use; (c) respond to claims that any Registration Data violates the rights of third-parties; or (d) protect the rights, property, or personal safety of AGCS and its employees.

Your registration with us is not considered a proposal or solicitation. AGCS has full rights to utilize the information you provide to us. Suppliers are not to use this registration site as a response to any AGCS requests for information/quotes/proposals.
