A+

**capacity can be deployed in many ways – whether QS or on a ventilated basis, we can accommodate various arrangements*

In order to serve you better, we have made some updates in our processes. Please send your submissions to propertysubmissions@agcs.allianz.com for faster response.

Why Brokers and their Clients choose Allianz for Property

A tradition of excellence

Allianz combines 100+ years of technical expertise, capabilities and experience for the most difficult corporate property risks.

Financial strength

With consistently strong solvency ratios and prudent investment strategies, brokers and their clients rely on Allianz for the most severe exposures.

Knowledgeable, responsive Underwriting with in-depth expertise

This fast-moving market needs a responsive and up-to-date approach based on an in-depth understanding of traditional and emerging risks. That is why our underwriting team

has streamlined its underwriting process to leverage both internal underwriting efficiencies as well as selected market leads.

Dedicated risk engineers

Combining industry-knowledge with years of experience, our 100 property loss control engineers understand your clients' business first hand and speak the same language.

Excellent claims service Recognized worldwide

One of the strongest specialist claims teams of any major insurer, well known to brokers, clients and the market through an established track record of handling complex international claims.

Full suite of products and services

Allianz offers the following additional products and services making it easy for our customers to tailor holistic risk solutions for their businesses:

- Alternative Risk Transfer
- Aviation
- Energy & Construction
- Entertainment
- Financial Lines
- Liability
- Marine
- Multinational Solutions
- Programs
- Middle Market Property
- Middle Market Package
- Risk Consulting
