Why Allianz for Automotive Component Parts?

- Our Middle Market and Middle Market Property Specialist (MMPS) underwriters average more than 20 years of experience and are committed to providing creative, responsive service.
- International capability to write locally admitted policies in over 210 countries
- Manufacturers' Errors and Omissions with true worldwide coverage
- Product Recall, including reputation, restoration and advertising expense. Coverage does not need to be triggered by a government recall.
- Claims specialists with experience managing complex manufacturing claims

Additional Specialty Coverages

- Environmental liability
- Aviation
- Ocean cargo
- Professional indemnity
- Directors & officers
- Trade credit offered by sister company, Euler Hermes

Please contact your local underwriter if you have a specific question about our appetite, products or services.
