## Why brokers and their clients choose Allianz for Aviation

### Expert Aviation Underwriters

The majority of our underwriters are experienced aviators and UAS operators who are passionate about unmanned aviation.

### Over 100 years in Aviation

Allianz has a proven track record of reliability, security and service.

### Broad Aviation appetite

We write a wide range of UAV/UAS risks, from the world's largest UAS manufacturers, test sites and major universities to small commercial operations and purchasers of UAS service.

### Local knowledge, global reach

Allianz's global network insures UAS risks on seven continents and provides access to professionals who know the local culture, language and regulations in over 160 countries.

### Specialized claims support

Claims are handled by adjustors and surveyors with years of hands-on aviation experience.

### Market leading capacity

Allianz has the capacity and financial strength to handle the largest risks.

### Long-term relationships

Dedicated client teams are committed to superior service, transparency and flexibility.

### Additional products and services:

- Alternative Risk Transfer
- Energy & Construction
- Entertainment
