Optional Pack(s): Not all activities are covered under the Plans. For a Comprehensive Plan, Domestic Plan and Multi-Trip Plan, a customer may add one or more Optional Packs (see below) to cover certain additional activities:

- **Adventure Pack** to cover certain adventure activities under their Plan except for Permanent Disability and Personal Liability;
- **Snow Sport Pack** to cover certain snow sport activities under their Plan except for Permanent Disability and Personal Liability; and
- **Cruise Pack** to cover sea and ocean cruising under their Plan.

Optional Packs are subject to payment of additional premium, and additional excess may apply to claims under these Optional Packs. The benefits covered by, and the exclusions that apply to, these Optional Packs are described in the PDS.

Pre-existing Medical Conditions: The Plans do not cover claims arising directly or indirectly from pre-existing medical condition/s unless those conditions have been disclosed to, and accepted by AGA.

When purchasing either a Comprehensive, Domestic or Multi-Trip Plan, a customer can apply for cover for pre-existing medical condition/s by completing a medical assessment. AGA will assess the request and decide whether they will offer cover for the pre-existing medical condition/s. AGA's offer of cover may be subject to additional conditions. The Essentials, Basic and Non-Medical Plans do not cover pre-existing medical conditions, and a customer cannot apply for cover for pre-existing medical condition/s.

The Certificate of Insurance or Medical Terms of Cover will identify those pre-existing medical condition/s which have been accepted by AGA and any additional conditions that apply in relation to the accepted pre-existing medical condition/s.

Key eligibility criteria: **Insured person(s)** must:
