### Ultimate flexibility, more than 100 classes of inland marine business

Whether a client needs to insure property under construction, a shipment of telescopic lenses or medical diagnostic equipment, Allianz Commercial provides creative, cost-effective Inland Marine solutions.

#### **Unprecedented expertise, experience and strength**

Allianz Commercial is a leader in Inland Marine insurance. Our underwriters are highly experienced Inland Marine insurance specialists with an unparalleled level of insight and hands-on experience.

We have the largest global and local network of any Marine insurer. Our organization is structured to deliver responsiveness and fast turnaround. Clients and brokers work with individuals who know the area, understand local conditions and have decision-making auth

#### **Coverage tailored to the needs of the situation**

Our experts work with brokers and their clients to write Inland Marine and Related Property coverage for a wide range of businesses. They are committed to finding creative ways to solve problems – regardless of how complex or challenging they are.

### Solutions that make sense for clients and brokers

Our Inland Marine underwriters have the flexibility and creativity to design tailored solutions that make sense for the client. Allianz Commercial writes more than 100 classes of Marine business, including:

#### Construction

We offer real estate developers, contractors, subcontractors, architects and property owners coverage for buildings that are under construction, renovation or repair, including:

- Builders risk
- Contractors equipment
- Installation floaters
- Construction block
- Riggers liability
- Related property

#### Transportation

We provide a full range of products and services tailored for truckers, warehouse, shippers and logistical operators, including:

- Motor Truck Cargo
- Contingent Motor Truck Cargo
- Shippers Interest
- Automobile Physical Damage
- Warehouse Legal Liability
- Railroad Rolling Stock
- Related Property (Building / Contents)

#### Programs

Allianz's program development process is geared to quick answers and fast delivery to market. Many programs are written by program administrators with wholesale capability and may be open to Allianz retail brokers, including:

- Auto parts manufacturers
  - Cell phone towers
  - Drones
  - Fixed base operators
  - Mobile medical equipment
  - Wind and solar energy
- ...and many more.

#### Communications/Technology

We offer specialized coverage for providers of communications services and organizations that rely on technical and scientific equipment, including products for:

- Cable television
- Electronic equipment
- Medical imaging/diagnostic equipment
- Physicians and surgeons (office and medical equipment)
- Broadcasters equipment
- Scientific instruments
- Telecommunications equipment
- Related Property (Building / Contents)

#### Specialty

We offer a wide range of coverages and special floaters to meet the varied needs of businesses and organizations, including:

- Fine arts
- Furriers block
- Jewelers block
- Installment sales
- Leased property
- Related & mono-line property via the commercial output policy
- Miscellaneous property floaters to protect property of a moveable nature
- Tank storage
- Musical instruments

...and more.

### Specialized claims and risk control services

Allianz Commercial maintains one of the largest and most knowledgeable risk control and Marine claims staffs in the business.

#### Experienced inland marine risk consultants

Our Inland Marine risk consultants are committed to helping clients manage risk and control insurance costs over the long term. Services include:

- Risk evaluation
- Risk improvement
- HELPtech®, a joint initiative with the National Equipment Register® (NER), a U.S. registry for construction equipment owners. This database allows police to identify the true owner of suspect equipment around the clock, anywhere in the country.

#### Industry-leading claims services

Our expansive local network ensures that we have the necessary resources to respond quickly – wherever and whenever a claim occurs.

Our claims professionals, adjusters and surveyors have many years of hands-on expertise involving all types of Inland Marine claims. They are specialists in evaluating Inland Marine losses and are committed to delivering a consistently prompt and fair response.

### The strength and security of a leader
