## Why brokers and their clients choose Allianz for Financial Lines

### Financial strength

With a consistently strong solvency ratio and prudent investment strategy, Allianz has one of the strongest financial ratings of the leading global property and casualty insurers and is solidly positioned to address the long-term financial liability exposures your clients face.

### In-depth expertise

This fast-moving market needs a responsive and up-to-date approach based on an in-depth understanding of emerging risks and legal developments: that is why our underwriting and claims teams have a wide range of specialist expertise including law and risk management.

### Flexible underwriting

We pride ourselves on our flexibility, adjusting our underwriting to match the needs of your clients, with coverage limits starting from as little as \$1 million, and extending up to major capacity for the largest corporations.

### Local compliance, global transparency

Allianz's global network provides access to technical underwriters and service professionals who respond to crossborder exposures of your clients while taking into account the regulatory and fiscal frameworks in which they are operating.

### Specialized claims expertise

Our industry-recognized claims leaders expertly manage claims for all facets of Financial Lines insurance. We provide fast and efficient claims management with over 60 Financial Lines claims specialists worldwide.

### Superior network

Your clients have access to global professionals who know the local market, culture, language and regulations. Allianz serves clients in more than 200 countries and territories worldwide.

### Multinational services

Allianz offers end-to-end customized service for the cross-border exposures of our clients, including risk transfer and captive services.

### Alternative Risk Transfer (ART) solutions

We specialize in helping clients mitigate their most complex risks with bespoke multi-year and multi-line agreements covering a broad range of risks, leveraging our expertise in alternative risk transfer and the global capabilities of the Allianz Group.
