Why brokers and their clients choose Allianz for Aviation

Expert Aviation Underwriters

The majority of our underwriters are experienced aviators and UAS operators who are passionate about unmanned aviation.

Over 100 years in Aviation

Allianz has a proven track record of reliability, security and service.

Broad Aviation appetite

We write a wide range of UAV/UAS risks, from the world's largest UAS manufacturers, test sites and major universities to small commercial operations and purchasers of UAS service.

Local knowledge, global reach

Allianz's global network insures UAS risks on seven continents and provides access to professionals who know the local culture, language and regulations in over 160 countries.

Specialized claims support

Claims are handled by adjusters and surveyors with years of hands-on aviation experience.

Market leading capacity

Allianz has the capacity and financial strength to handle the largest risks.
